- 11 Computer with multimedia capabilities designed specifically for watching television and films.

Note: You can use a different program named Crossword Weaver® to print a nicer copy of this puzzle, one that doesn't look like a web page. This software program gives you much greater control over how the puzzle looks, lets you export your puzzle to other software, publish it interactively on the Web or as a PDF file. Check it out for free by downloading the demo from www.CrosswordWeaver.com. Purchasing converts the demo into the full program.
